

## Chicago Magic Soccer Club U.S. Soccer Development Academy Program

U.S. Soccer has created the U.S. Soccer Development Academy to improve the everyday environment for the elite youth player. The Chicago Magic Soccer Club is one of the select clubs that participates in the USSDA.

"The exposure players receive in this program is second to none." said Academy Director Raul Diaz Arce, "The Academy format provides top quality matches that challenges players on emotional, mental and physical levels."

The U16 and U18 Chicago Magic Academy strives to provide players with the best possible opportunity to achieve their utmost potential as elite soccer players.

Joining the #1 club in Chicago-land is easier than you think.

You can start the process of joining the #1 club in the Chicago-land by attending a tryout in any of our U15 and above sessions. If you are selected, we then will ask you to join our program. Once in the Chicago Magic program, the next step of evaluation takes place including possible placement into our Academy program.
